

## Welcome to Curriculum, Instruction and Equity

At Dobbs Ferry, we believe that a strong curriculum is the foundation of meaningful learning. Our Office of Curriculum and Instruction is dedicated to designing and supporting a K–12 instructional program that is rigorous, relevant, and aligned with [New York State's Next Generation Learning Standards](#).

Our goal is to ensure that every student is prepared for success in college, careers, and life beyond the classroom. To achieve this, we focus on continuous curriculum development and instructional excellence throughout the district.

The Office of Curriculum, Instruction and Equity supports the [Dobbs Ferry District's Mission and Vision](#) through:

- A well-aligned and cohesive K–12 instructional program
- Curriculum and instruction grounded in New York State Next Generation Learning Standards
- High-quality teaching and learning training and resources
- Professional development and training for faculty, staff, and administrators

## Professional Development Partnerships

We proudly partner with the [Tri-State Consortium](#) to provide extensive and targeted professional development for administrators and teachers that advances our instructional goals. We also collaborate with trusted local organizations, including:

- [Southern Westchester BOCES](#)
- [Putnam Northern Westchester BOCES](#)
- [Lower Hudson Regional Information Center \(LHRIC\)](#)
- [Hudson Valley Regional Bilingual Education Resource Network \(RBERN\)](#)

In addition, we work with independent consultants to bring specialized expertise that supports district-wide innovation and improvement.
