### **Welcome to the Springhurst Children's Center!**

Dear Parents and Guardians:

I would like to introduce myself. I am Juliana Tsiamtsiouris, the Director of the Springhurst Children's Center since 1995. In addition, I have served as a special education teacher at Springhurst School for over 30 years. The SCC is a childcare program designed for the working parents of school-age children. It is open to children in Kindergarten through 5<sup>th</sup> grade who attend Springhurst School. We provide childcare before and after regular school hours.

We are very proud of our program and believe that your child will have a safe, happy and enriching experience with us! We offer organized recreational activities such as arts & crafts, creative projects, engineering and building activities, music, sports, and board games, as well as indoor & outdoor free play on the Springhurst upper playground. We also provide homework help with support from Springhurst teaching assistants. In addition, we focus on daily social-emotional growth and treat our children like family. Cell phones and tablets must be stored in your child's backpack and will not be permitted during before and after school activities.

The SCC is a private, not-for-profit corporation organized under the laws of New York State and has tax exempt status. It is a registered childcare facility and meets all the fire, safety and health requirements of the Office of Children and Family Services. Our recreational program is led by Mrs. Julie Nuzzi, a retired employee of Springhurst School, who has over 30 years of experience working with children. All staff members are screened and fingerprinted by NYS to ensure the safety of our students, as well as being employed at Springhurst.

If you have any questions, please feel free to reach out to me by text at (914) 582-9430 or by email. Please email all registration materials to [scc.afterschool@gmail.com](mailto:scc.afterschool@gmail.com) by July 15, 2025.

We look forward to meeting you and welcoming your children into our SCC family!

Sincerely,

Juliana Tsiamtsiouris, M.S. Ed.  
Director of SCC

## POLICY

### PLEASE SIGN AND RETURN

- The SCC is open to all children in grades K-5 who reside or attend school in the Dobbs Ferry School District, regardless of race, religion or national origin.
- All employees of the SCC are mandated by the Office of Children and Family Services to report any cases of child abuse, maltreatment or neglect.
- The Springhurst Children's Center is independent of the Dobbs Ferry School District. Therefore, parents are required to call the Center each day their child is absent whether due to illness, play dates, sent home sick from school, etc. The Center does not refund fees for days that children are absent nor can it accommodate make-ups for missed days. Missed days are considered to include snow days, sick days, after school recreation activities and play dates.
- Each day upon arrival children are observed for ailments or symptoms of contagious disease. Parents will immediately be called to pick up their child if such symptoms (ie. red eyes, rash, itchy head, fever) are suspected. The SCC reserves the right to make the determination whether a child should remain in our care on those days when a potential medical condition occurs. It is our policy to contact parents, guardians or emergency contacts immediately so that a child can be picked up and cared for by that person, not by the Center's staff.
- The SCC may not administer any medications, prescription or over-the-counter, at any time.
- Children who require a special diet for snack must bring written instructions indicating all restrictions and special needs.
- The SCC is not responsible for children's personal items such as clothing and toys. It is suggested that all items belonging to children are identified with their name and that any valuables be left at home. Game boys and music players are not permitted.
- Tuition payments are due by the first of each month. **A late fee of \$25.00 will be charged** if payment is not received by the tenth. The Center reserves the right to suspend or terminate childcare services should terms of the contract be violated. Any returned checks will be subject to a charge as assessed by the bank.
- **The Center closes promptly at 6:00 p.m.** All children must be picked up by 6:00 p.m. No child will ever be left unattended. If a parent is not at the Center by 6:00 p.m., a **\$30.00 fine per family for every fifteen minutes or part thereof will be charged**. A written warning will also be issued. A parent who receives two such warnings and then has an additional lateness may be withdrawn from the Center's program at the Center's discretion.
- Families who have a 4:00 p.m. contract will be charged \$5.00 for every half hour or part thereof that they are late in picking up their child before 6:00 p.m. The Center reserves the right to extend a 4:00 p.m. to a 6:00 p.m. contract if lateness becomes excessive.
- In the event a child must be picked up from the Center immediately (ie. Illness, parent late after 6:00 p.m., etc), local emergency contacts will automatically be called if the parents cannot be reached.
- Children may not be signed out or transported in private cars by staff members due to insurance and other liability reasons.
- It is the policy of the SCC to provide a quiet atmosphere for children to do their homework. We will announce on a daily basis when the Homework room is open. From that point forward, it will be your child's decision as to what they would like to do. We will not assume parental responsibilities with children who choose not to do their homework at the Center.
- The SCC is considered a "mainstream" program. We can accommodate certain children with special needs and will make such a determination on a case by case basis.
- Parents will be notified if a child is disruptive or presents a safety problem to him/herself or others. Unacceptable behaviors will be documented. Repeated disruptive behavior may result in an initial one-day suspension from the program. Any other occurrence after a suspension may result in your child's immediate withdrawal from the program. Suspension is considered a final warning prior to expulsion whereby the Center reserves the right to terminate a contract.
- Center policies and guidelines are subject to change at any time. Parents will be given written notice should a change occur.
- The Center reserves the right to terminate childcare services should the parent(s) fail to adhere to Center guidelines as outlined in the above Policy Statements, Parent Handbook and Registration Materials.

**I have read the above Policy Statements, Parent Handbook, and Registration Materials, and fully acknowledge, understand, and accept all that is written.**

## FEES AGREEMENT

### **Please sign and return**

All fees are structured and designed to cover costs. As a not-for-profit organization, all monies in excess of expenses are invested back into the Center in the form of additional equipment, supplies and staff development.

- Fees cover childcare for the number of days allotted in the school calendar. No childcare services are provided during holidays or emergency closings.
- Contractual payments are due on the first day of each month with payments covering care one month in advance of service. The Center requires the registered parent/guardian to be responsible for the full tuition agreed upon in this contract. A late fee of \$25.00 will be charged if tuition is not received by the 10<sup>th</sup> day of the month. The Center reserves the right to suspend or terminate childcare services should terms of the contract be violated.

**For clarification purposes,** your first payment made in June/July will cover the cost of your child's September care. Your second payment will then be due on September 30<sup>th</sup> which will cover the cost of your child's October care. This will continue for ten equal payments whereby May 31st will be your last payment covering the cost of your child's June care.

- Returned checks will be subject to a charge as assessed by the bank.
- Should it be necessary for a family to change their contract due to work circumstances, the first contract change shall be done without a fee. Any other change will be subject to a \$15.00 change fee.
- Late pick-up of children who have a 4:00 p.m. contract will be charged a **\$5.00 fee per half hour** or part thereof.
- Late pick-up of children who have a 6:00 p.m. contract will be charged **\$30.00 per fifteen minutes** or fraction thereof. More than two late pick-ups after 6:00 p.m. may result in a family's withdrawal from the Center's program. (See Policy Statement or Parent Handbook for further details.)
- A Failure to Notify fee will be charged to families who fail to report their child's absence to the Center. Parents are required to call the Center **each day** their child is absent whether due to illness, play dates, sent home sick from school, etc. **The school does not notify the Center of absences.** Failure to notify the Center of absences, will result in the following:
  - 1) Warning/No Charge 1<sup>st</sup> Occurrence
  - 2) \$5.00 2<sup>nd</sup> Occurrence
  - 3) \$10.00 3<sup>rd</sup> Occurrence

\*Five dollar increments will be charged for every occurrence thereafter\*
- The Center does not refund fees for days children are absent nor can it accommodate make-ups for missed days. Missed days are considered to include snow days, sick days, after school recreation activities and any play dates. In cases of exceptional or unusual circumstances (ie. Prolonged illness of more than one month), the Center will consider granting a tuition credit. Supporting documentation will be required if such a request is to be considered.
- A sibling discount of 20% is available on all rates excluding the above mentioned fees & charges.
- A \$50.00 non-refundable application fee per family is required each school year. A \$25.00 late registration fee will be assessed for families requesting and receiving space in the program after the registration period has expired.

**The Center does not send out bills, therefore all payments and extra charges are due on the dates agreed upon or on the day of incidence.**

## **BEHAVIOR AGREEMENT**

- The Springhurst Children's Center has an established set of rules in order to maintain a safe environment for all children and adults. Rules clearly state what is considered appropriate behavior and what is not. Consistent, immediate and positive feedback is given to children for appropriate behavior, while inappropriate behavior is discouraged and may result in one or more of the consequences listed below. Consequences most often reflect the behavior.
- Each day is a new day and every child has the opportunity to make choices about his/her behavior knowing in advance the rewards and the consequences.
- Please review the following rules with your child. This will help in maintaining a safe, consistent and effective program for everyone involved.

### **GENERAL RULES**

1. Listen and follow directions.
2. Respect others and property of the school.
3. Keep hands, feet and objects to yourself.
4. Clean up after yourself.
5. Use quiet voice while indoors.

### **CONSEQUENCES**

- 1<sup>st</sup> Occurrence – child is spoken to and asked to correct their behavior.
- 2<sup>nd</sup> Occurrence – child receives a "Time Out" and/or privileges are suspended or modified.
- 3<sup>rd</sup> Occurrence – parent is notified.

## **WITHDRAWAL FROM PROGRAM**

Parents will be notified if a child is disruptive or presents a safety problem to him/herself or others. Unacceptable behavior will be documented and may result in an initial one-day suspension from the program. Although this will most likely inconvenience the working parent, the Center is obligated to all families to maintain a safe environment. This suspension will hopefully allow for both parent and child to discuss the seriousness of the situation. Any other occurrence after a suspension may result in your child's immediate withdrawal from the program. Suspension is considered a warning prior to a possible expulsion whereby the Center reserves the right to terminate a contract.

### FEES • 2025–2026

The attached list of rates and fees will apply to the 2025-2026 school year for the Springhurst Children's Center. Rates have been kept to last year's level. We have continued to make improvements in our program and plan to continue seeking further beneficial changes, including:

- Teaching assistants will supervise homework on a daily basis and be able to provide support when necessary
- Increased Arts & Crafts activities for all students
- We plan to continue to develop our sports activities, including organized games such as baseball, basketball, etc - activities to be enjoyed on a regular basis.

We would also like to clarify the contract and fee payment schedule. For example, the rate charged for a five day per week, long session for ten months is an average of ten equal payments to cover the number of days our students attend school for the school year. If you opt for a three day per week contract, the monthly fee is prorated to approximately 60% of a five day contract, and so on. Therefore, when you sign a ten month contract, you are **not being charged for days when school is not in session**. You are not being charged for holidays, school vacations or snow days. The monthly fee is averaged to allow for equal, regular payments. This makes it easier for you to plan your monthly expenses, simplifies our bookkeeping, and allows us to plan our program based on expected monthly income. **Note that students who are attending an early morning dismissal prior to 11:30 day will incur an additional fee of \$20.00 per child in addition to the monthly fee.**

Please note if you have used the services of the SCC, your prior contract must be paid in full, including any additional fees, before a new contract is issued. We continue to try to provide you with high quality childcare, while controlling costs as best we can.

Our goal continues to be to provide a safe, creative and nurturing environment for all of our students. We thank you for all of your support and hope to continue to serve you even better in the future.
