

Dear Springhurst Families,

It is with great enthusiasm and excitement that we welcome you and your child to the 2023-2024 school year. This was a busy summer with several changes in personnel, including your new Principal. However, what remains constant is that Springhurst Elementary

School is a warm and welcoming school community, where all students are nurtured by our faculty and staff to reach their full potential. We cultivate strong partnerships with our families and pride ourselves on being student-centered.

As we embark on the new school year, we invite you to remain engaged and an active participant in the life of the Springhurst community. I hope you will consider joining our PTSA, which is now under the leadership of Erica Malko, President, and Jed Illany, VP of Springhurst. The Dobbs Ferry Schools Foundation, SPRING Community Partners and Trailguides are also vital parent organizations that have continually supported our schools and mission. With your partnership and assistance, we will ensure that your child has an enriching and joyful experience at Springhurst.

I hope to greet many of you at the upcoming Springhurst Back-to-School Nights. This is a great opportunity to meet our faculty and learn more about what to expect this academic year for students. Our teachers will provide a broad overview of the curriculum for the year and how we can work together to make this a successful educational experience for your children.

We are looking forward to an exciting year of growth for each and every child!

*Tashia Brown*  
Principal
