

Student Activities and Athletics
March 14, 2022

Attendance:

Jean Lucasey	BOE Member
Massimo Bufalini	BOE Member
Andrew Klaich	Athletic Director
Darrell Stinchcomb	Assistant Superintendent
Lisa Brady	Superintendent

Softball

The Committee discussed the scheduling of home games for the softball season since the new field at Springhurst is not yet ready for play. Andrew shared that he has four games scheduled at Mercy College and that Ardsley High School is also going to help out along with scheduling the Pawling game at Macy Park in Ardsley. Almost every home game will be played locally. In addition, the pitching mound on the North Field is being moved and set back to 43' and the field has been prepped for practices. Modified softball will be playing at Memorial Park in Dobbs Ferry.

Coaches

All spring coaching positions are currently filled.

Lacrosse

28 girls came out for lacrosse which means that we will not have a JV lacrosse team this year. This is consistent with past years and also consistent with our school our size around the region.

Golf

Andrew is reaching out to our surrounding schools about what they are planning to do about buses since it is impossible to get a bus before 3:30-4:00 p.m. and golf tee times are set by the golf courses. It is not possible to make tee times with the current bus schedule. The Committee requested that Andrew check with the surrounding districts since we share transportation and everyone has the same issue. Andrew will keep the Committee posted.
