## **Absences and Lateness**

If your child is going to be absent from school, you should contact the Attendance Officer at the front desk (693-7640 ext. 3039) by 8:00 a.m. If your child needs to be dismissed early from school, he/she must bring a note from the parent or guardian to the Attendance Officer at the front desk by **8:00 a.m.**, giving the reason and the exact time he/she needs to leave that day. When your child leaves, the parent/guardian **must sign the student sign-out form** at the front desk. **Students will not be dismissed during the school day to anyone other than the parent/guardian, or person listed as an emergency contact. Exceptions can only be made with approval of the principal.** When your child returns to school after an absence, students must submit a signed note from a parent or guardian giving the reason for the absence or the absence will be marked unexcused.

### Excusable Reasons for Absence

- Sickness
- Sickness or death in family
- Religious holidays
- Dental and medical appointments
- Approved school-sponsored trips
- OTHER REASONS ARE NOT EXCUSABLE

## **Arrival Procedures**

**Students will not be able to enter the middle school or high school buildings before 7:30 a.m.** All exterior doors will be locked prior to that time. If you plan on dropping your child at school, drop them off in front of the **high school/middle school Commons** or the **middle school entrance**. **Under no circumstances should a child be dropped off at any other area, since this creates a safety issue.** Please make sure that students follow the lines of traffic.

School begins at **8:12 a.m.** Students should plan to arrive at school ten minutes before the school day begins in order to visit their lockers and prepare for their first class. If students do not have a T-Period and arrive prior to 8:06 a.m., they must report directly to the Commons. Breakfast can be purchased from 7:30 a.m. to 8:06 a.m.

## **Departure Procedures**

The school day ends at **3:20 p.m.**, with the exception of every Wednesday, when students will be dismissed at **2:20 pm**. If you are planning on picking your child up, you may pull your car up to the middle school entrance. Cars will be lined up facing the school along the curb. **Under no circumstances should cars park along the fence next to the turf field. This blocks traffic and is a violation of fire codes.**

## **Emergency Dismissal Procedures**

Emergency contact information should be updated at the beginning of every school year via the Parent Portal. This information is vital in the case of an emergency dismissal. You will be notified by a K-12 Alert if it is necessary to conduct an emergency dismissal.

## **Academic Performance Standards for Co-Curricular Activities and Athletics**

Any student who is planning on participating in a co-curricular activity and is currently failing or is in danger of failing one or more classes (as indicated on the Progress Report or Report Card) will begin that activity on probation.

Students who are participating in a co-curricular activity who are currently failing or are in danger of failing one or more subjects (as indicated on the Progress Report or Report Card) are put on academic probation for two weeks. During this initial probationary period, he/she can remain on the roster and may participate in any and all practices and games/competitions. It is required that the probationary student attend T-periods with the teacher of the class he/she is failing, attend all classes, and complete all assignments.

At the end of the two-week probationary period, the student will be responsible for submitting a blank Probationary Progress Report (PPR) to his/her teachers for all subjects. Each teacher will fill out the progress report, and the student will promptly deliver the completed report to the Assistant Principal's Office. PPR forms are available in the Middle School Office.

The student's progress during the probationary period will be reviewed by the Assistant Principal. If the PPR indicates the student is passing, the academic probation will end. If the student is not passing, but demonstrates significant effort to raise his/her grades, the academic probation will be extended for an additional two weeks. The student will be able to fully participate on his/her team when the determination is made by the Assistant Principal. If the student is failing and also not showing any effort to raise his/her grade, he/she will remain on the roster but may not play in any games or participate in any practices. Attendance at T-period is still required.

At the end of the second two-week probationary period, the student is responsible for submitting another blank PPR to his/her teachers and then promptly delivering the completed PPR to the Assistant Principal.

If the student is failing one or more subjects after the second two-week probationary period, he/she will be removed from all co-curricular activities.

Any student, who is removed from an activity due to academic failures, may not try out or participate in an activity until the progress report or report card demonstrates he/she is passing all subjects. Any student, who has brought his /her grades up to passing after the co-curricular activity has started, will be considered for participating in the activity. Any student, who fails one or more classes for the year, will be ineligible for the fall co-curricular activity.

## **Activities**

Dobbs Ferry Middle School offers a variety of before and after-school, as well as lunchtime activities, which give our students a chance to develop their interests and abilities as well as friendships. All students are encouraged to become involved in before and after-school activities during the year. (See Appendix in the back of this Handbook.) **If a student is absent from school or arrives at school after 12:00 p.m., they cannot participate in any after-school / evening activities or sporting events on that same day.**

Permission slips and emergency contact information for student participation in co-curricular activities will also be sent home with students by their club advisor on the first day the club meets. All school clubs will begin by the second week of October.

## **Assignment Pad / Student Agenda**

The student agenda is a successful component to our instructional program in helping to keep students organized. It is also a helpful tool for parents. Parents should review their child's assignment pad on a regular basis. An agenda will be provided by the school to each student. If a student loses an agenda, they may purchase an additional copy at the main office at a cost of \$5.00.

## **Attendance Policy**

### **School Policy Regarding Attendance and Course Credit**

**Students must attend 90% of the time each of their classes meet during the school year.** Students in full-year courses in the middle school will be limited to 20 absences. Students in courses that meet every other day for a full year or every day for a semester are limited to 10 absences. Students who are in danger of not meeting this criterion will receive notification from the administration. For example, if a student is absent or late three or more times within a month, a letter will be mailed home from the assistant principal's office. If your child is out for more than two days, you can contact the Guidance Office to request homework for your child. The call must be made by 9:00 a.m. You will be able to pick the work up at the end of the day in the Guidance Office. Students should also check for homework on the school website.

## **Backpacks**

Backpacks are **not** permitted during the school day, for safety and health reasons. Students are expected to carry their books and take advantage of locker stops.

## Behavior Expectations for Hallways, the Commons, and Recess

### HALLWAYS EXPECTATIONS MATRIX

<b>Safety</b>	<b>Organization</b>	<b>Accountability</b>	<b>Respect</b>
Keep hands feet and objects to yourself	Plan your day - carry only what you need for a few classes at a time	Have agenda book or hall pass with you at all times	Follow adult instructions the first time given
Walk to the right in the hallways and stairwells	Close and lock your locker	Be in your classroom before the 2 <sup>nd</sup> bell	Use respectful language in hallways
Throw garbage in proper cans	Keep locker neat and organized	Keep your locker combination private	Keep conversation at volume 0-1 and move directly to your next period
Open and close lockers gently			Treat others as you want to be treated

### COMMONS EXPECTATIONS MATRIX

<b>Safety</b>	<b>Organization</b>	<b>Accountability</b>	<b>Respect</b>
Keep your hands, feet and objects to yourself	Eat food in the Commons only	Throw garbage in the proper trash cans	Follow staff directions the first time given
Walk quietly to and from the Commons at a volume level of 2	Wait your turn at the table to be called for breakfast/lunch	Remember your ID number	Welcome anyone to your table, up to 8 students
Follow staff direction the first time given	Visit your locker before lunch and bring only necessary belongings to the Commons	Keep money in your lunch account	Use respectful language
Keep volume at a level 0 when whistle is blown	Sit up to 8 students per table and stay seated until dismissed to recess		

## RECESS EXPECTATIONS MATRIX

Safety	Organization	Accountability	Respect
Follow game rules	Take and return equipment in an orderly fashion	When whistle blows the first time, clean up and return materials in the same condition you found them	Use respectful language (usage of thoughtful, positive, and kind words)
Follow adult directions the first time given	Play approved games	Take your personal belongings with you	Practice good sportsmanship
Tell an adult if someone you know may get hurt	Put your personal belongings in the proper place	Return to the Commons and be seated	Respect others' personal space
Follow dismissal procedures			Touch only your belongings
			Welcome everyone to participate

### Cellphones

In effort to combat issues relating to screen time and health, cellphones are not permitted during the school day. This policy is also in effort to implement strategies that promote mindfulness and social and emotional learning. Students in grades 6-8 now have “phone-free” days while they are in school. From 8:12am-3:20pm cellphones must be in the students’ lockers or left at home. While students may bring their phones to school for use before and after the school day, they will not be permitted to use phones during lunch and recess or to carry on their person.

### Chromebooks

All students have been issued Chromebooks by the school district to be used for both in school and at home use. Chromebooks are an integral part to the learning process and students are required to bring Chromebooks to school every day. These devices should be cared for appropriately, **charged nightly**, and returned at the end of the school year. Please see the Chromebook Handbook in the Appendix section of this handbook.

The school district highly recommends the purchase of Chromebook insurance to cover accidental damage, loss, or theft. Further information regarding insurance plans can be found on the middle school website in the *Welcome Back to School Information* under the *Parent* tab, as well as in the Chromebook Handbook in the Appendix of this handbook.

# Citizenship

All students and staff are expected to exhibit the qualities of good citizenship.

## Characteristics of a successful student:

- *A great deal of curiosity; wants to know the reasons and causes for things*
- *Ability to express / defend opinions / ideas orally*
- *Ability to express / defend opinions / ideas in writing*
- *Is a keen and alert observer; recognizes a deeper meaning in answer or solution*
- *Demonstrates a commitment to task completion beyond minimum expectations and meets assignment deadlines*
- *Displays an organizational style that does not inhibit learning*
- *Demonstrates responsibility and accountability for independent and group work*
- *Is respectful of the learning environment*
- *Show courtesy and consideration to everyone*
- *Treat school and other people's property as though it were your own*
- *Be honest*
- *Respect other people's abilities, ideas, and differences*
- *Conform to all classroom procedures and requirements*
- *Arrive to school and class on time*

# Code of Conduct

The code of conduct is a framework of behavioral expectations for all students at the Middle School.

## **I. Students are expected to follow all laws set down by state and local authorities including but not limited to those regarding:**

- Theft
- Vandalism / littering
- Physical assault
- Verbal / sexual harassment
- Plagiarism
- Use / possession of controlled substances (drugs, alcohol, and tobacco)

## **II. Prohibited Items**

The following items are prohibited on school grounds at any time:

- |                      |                                    |
|----------------------|------------------------------------|
| lighters/matches     | explosives/firecrackers            |
| cigarettes           | drugs                              |
| alcohol              | weapons of any kind (real or fake) |
| vaping paraphernalia |                                    |

### **a) Skateboards, Scooters, Rollerblades, Etc.**

These items MUST be stored in a locker until the end of the school day. Their use is prohibited ON SCHOOL GROUNDS.

### **b) Lacrosse Sticks, Baseball Bats, Balls, and Other Sporting Equipment**

These items MUST immediately be stored in a locker or in the main office if they are too large to fit in the locker.

### **d) Gum, Food and Drinks**

Students are not permitted to chew gum on the school premises. With the exception of water, no food or drinks may be consumed outside of the Commons.

## Dignity for All Students Act (DASA)

Dobbs Ferry Middle School is committed to providing an educational and working environment that promotes respect, dignity and equality. A safe and supportive learning environment is essential for promoting student achievement. Incidents of discrimination and harassment, including, but not limited to, bullying, taunting, and intimidation, can interfere with students' ability to learn. DFMS is committed to creating an environment free of discrimination and harassment. DFMS prohibits all forms of discrimination and harassment of students by school employees or other students on school property, at school-sponsored activities and events that take place off school property. The district prohibits all forms of discrimination and harassment based on actual or perceived:

- race
- color
- weight
- national origin
- ethnic group
- religion or religious practice
- disability
- sexual orientation
- gender

DFMS will investigate reported incidents of discrimination and harassment including cyberbullying. Students who fail to act in a respectful, dignified, and civil manner toward others may be subject to formal disciplinary action, including loss of privileges, detention, in-school suspension, or out-of-school suspension. Disciplinary consequences will be assigned as appropriate according to the District Code of Conduct.

## Student Rights and Responsibilities

- Students have the *right* to be protected from intimidation, harassment or discrimination based on actual or perceived race, color, weight, national origin, ethnic group, religion or religious practice, disability, sexual orientation or gender, by school employees or other students.
- Students have the *responsibility* to respect one another and treat each other fairly, civilly and with dignity according to the Code of Conduct, other district policies, and the Dignity for All Students Act.
- Students have the *responsibility* to promote an environment that is free from intimidation, harassment or discrimination.
- Students have the *responsibility* to report incidents of discrimination and harassment that are experienced, witnessed, or otherwise brought to their attention. Incidents are to be reported in a timely manner.

Incidents may be reported to the classroom teacher, guidance office, main office or on Anonymous Alerts.

## Commons

When students come to the Commons (cafeteria), they should buy their lunch/drinks/snacks and have a seat at their table. **WATER IS THE ONLY FOOD OR BEVERAGE ALLOWED OUT OF THE COMMONS.** The Commons will be open before school and at lunchtime to purchase food. The Commons should not be visited at any other time during the school day.

Behavior in the Commons should be appropriate at all times.

- No throwing food.
- No running/pushing/horseplay.
- Students must stay in the Commons unless they have a pass from a teacher.
- Students should be respectful to all adults in the Commons.
- Students must clean their table and table area before going to any activity.

Menus are posted in various places in the building and is available online.

## Communication

**Students:** School-wide announcements will be made at the end of every school day.

**Household:** Listed below are three levels of communication:

- Level 1: building-based email blast by grade level
- Level 2: building-based email blast to all grade levels
- Level 3: School Messenger Alert – district based

**Parent Portal:** The Parent Portal is designed to provide parents with information regarding their child, such as:

- attendance
- daily schedule
- report cards
- progress reports
- teacher's gradebook

To register or access the Parent Portal, go to:

<https://esdparentportal.lhric.org>

or

<http://www.dfsd.org> (Click on Parent Portal button)

If you need assistance with accessing the Parent Portal, please email Diane Newell at [parentportal@dfs.org](mailto:parentportal@dfs.org).

## Dress Code

The Board of Education of the Dobbs Ferry Schools District believes that the responsibility for student dress and general appearance rests with the individual students and parents. However, the Board requires students to attend school in appropriate dress that meets health and safety standards and does not interfere with the learning process.

Appropriate school dress has a positive impact on student behavior and increases the esteem in which students and the community regard the school. Students have the responsibility to use discretion and common sense in their choice of clothing. Students are expected to wear clothing appropriate to the school.

Students CANNOT wear:

- Violent language or images.
- Images or language depicting drugs or alcohol (or an illegal item or activity) or the use of same.
- Hate speech, profanity, or pornography.
- Images and/or language that create a hostile or intimidating environment based on any protected class.
- Visible underwear or bathing suits of similar design – visible waistbands or straps on undergarments worn under clothing are not a violation.
- Helmets, hoodies which cover the head or other headgear that obstructs the face.
- Clothing or footwear that could pose a safety hazard.

Administrative personnel have the authority to require a student to change his/her attire should it be deemed inappropriate according to the guidelines.

## **Education Partnership**

Education of children is a partnership involving the student, the teacher, and the parents. Our teaching staff welcomes the opportunity to work closely with parents, and they keep in contact with parents through the parent portal, emails, progress reports, report cards, and parent/teacher conferences, etc. Parents, however, should feel free to contact the guidance counselors (**Sandra Hacker or Rose Mittan at 693-7643**), grade level team leader, or individual teacher at any time. To contact staff members via e-mail, simply type their last name, first initial @dfsd.org ([mussolinip@dfsd.org](mailto:mussolinip@dfsd.org)). We ask you to keep us informed with any information you have that may affect a child's school success or to raise any questions or concerns you may have. Parent correspondence will be returned within two school days. Conferences may be arranged with individual teachers or a team at a mutually agreeable time. Again, we are partners in the process of your child's education.

## **End of Year Assessments**

End of Year Assessments are integral in tracking the progress of each student. These assessments take place at the end of each school year and may not be skipped. After the scheduled exams there will be one make-up date for students with excused absences. Please note this is the only day for make-up tests, students are not permitted to take the exams early.

## **Field Trip and School Sponsored Events Policy**

If a student receives three disciplinary referrals the student will be placed on probation and provided with a behavioral improvement plan. Every student placed on probation has the opportunity to be taken off by adhering to the Code of Conduct, following the plan, and exhibiting appropriate behavior. Grade level teams will meet monthly to discuss each student's progress towards behavioral goals and possible removal from probation. Students in danger of failing and/or currently failing two or more courses will be placed on probation and provided with an academic improvement plan.

Students who remain on probation for academic and/or behavioral reasons will be prohibited from participating in school sponsored activities and trips. During this time, students will receive academic support to achieve their behavioral and/or academic goals.

\*It should be noted that when an offense is deemed particularly egregious by the principal and / or the assistant principal, the consequence for such an offense will be determined solely at the discretion of the administrators.

## **Health Information**

All 7th grade students and all new students are required by New York State law to have a physical examination. It is recommended that your own health care provider (MD, NP, or PA) perform this evaluation, as he/she is most familiar with your child's health history. The physical examination is accepted if completed not more than 1 year prior to the start of the current school year. If your child has a physical from their primary care provider, the completed, required forms should be returned to the Health Office within 30 days of school entrance for returning students or before the first day of school for new students.

New York State Education Law requires that all students in grades 5 through 9 be screened annually for scoliosis (curvature of the spine). Girls and boys will be screened separately in physical education classes. Boys will be required to remove their shirts and girls should wear appropriate undergarments or bathing suit tops. The school nurse also conducts vision and hearing screening for all students in 7th grade. You will be notified if any possible problems are found.

## **Doctors' Appointments and Vacations**

We ask that parents make dentist or doctor appointments after school hours, so children do not miss any valuable instructional time. The school strongly discourages families from taking vacations during the school year. **We cannot be responsible for giving classwork and homework when students are illegally absent; however, students are expected to make up missed work when they return.**

## **Immunizations**

NYS Public Health Law states that all children attending public school must be immunized against diphtheria, polio, measles, mumps, rubella, Haemophilus influenzae Type B (Hib), hepatitis B and varicella. This law further defines requirements for admission into kindergarten, elementary and secondary schools. Examples of acceptable proof of immunization include a certificate of immunization from a physician or health care facility or a signed transcript of the immunization portion of the health record from the previous school. **Students will be excluded from attending school until the appropriate documentation is completed.** The New York State Department of Health enacted a change in the immunization requirement for students who enter 6<sup>th</sup> grade. Students who are entering 6<sup>th</sup> grade on or after September 1, 2017, and who are 11 years of age or older must receive an immunization containing tetanus toxoids, diphtheria, and acellular pertussis (Tdap). Students who are entering 6<sup>th</sup> grade are tracked for two years in the event that they are not eligible for the current vaccine.

## **Medications**

No medication should be brought to school without the knowledge of the health office. Only those medications which are necessary to maintain a student in school and must be given during school hours should be administered. A written order from a licensed prescriber (MD, NP, PA) and written parent/guardian permission to administer the medication is required. This includes both prescription and nonprescription (OTC) medications. The parent/guardian must assume responsibility to have the prescription medication delivered to the health office in a properly labeled, original pharmacy container. OTC medications must be in the original manufacturer's container/package with the student's name on the container.

Medications should not be transported daily to and from school. Parents should ask the pharmacist for two containers, one to remain at home and one at school. Students may be permitted to carry and self-administer their own prescribed medication (i.e. Asthma inhaler, epi-pen), if the school nurse receives written permission from the student's health care provider and parental consent

## Sports Registration

All student sport registration is completed through **FamilyID**. FamilyID is a secure registration platform that provides families with an easy, user-friendly way to register for our athletic programs, and helps us be more administratively efficient and environmentally responsible. When you register through FamilyID, the system keeps track of your information in your FamilyID profile. You will enter your demographics once and can make updates as needed.

**Please make sure your child's registration is complete by the deadlines listed below. Students will NOT be able to tryout until registration is complete and cleared by the school's medical director.**

- **HEALTH APPRAISAL FORM (CURRENT PHYSICAL)**

A physical exam is required for medical clearance and must have been completed within 12 months prior to the start of any sport season. Please **upload the completed physical through FamilyID**. (Note: It is important for parents to upload their child's health appraisal as we do not have access to do so from here.)

- **FamilyID ONLINE REGISTRATION**

Must be completed within 30 days of the start of each sports season.

## Homework

The Middle School homework guidelines have been collaboratively defined by the work of our Compact Committee. The committee, comprised of parents, teachers, students, and administration, utilized current research and best practice to guide its work. Homework is meaningful and has a clearly defined academic purpose that supports learning in the classroom. The purpose of the assignment and its effect on learning is explicitly communicated to the students.

### **The Purpose of Homework:**

Homework supports learning in the following ways:

- **Pre-learning** – introduces a topic or provides background in preparation for an in-depth lesson. It can be used to assess prior knowledge or to stimulate interest.
- **Checking for Understanding** – allows teachers to assess student learning and understanding.
- **Practice** – allows students to practice newly acquired skills and does not involve new learning.
- **Processing** – allows students to analyze, synthesize or reflect on concepts learned in class. This is often used for long-term projects.

While homework is the students' responsibility, parents can support the process by providing their children with a regular, organized place to do their homework. At times, students may say, "I have none," or "I will do it in T-period." Home study time should still be maintained. We also encourage students to read each night. Homework can always be located on the grade-level team pages.

Middle school students can expect an average of 15 to 30 minutes of work in every subject, five days a week. The amount may vary on a daily basis and may be less for sixth graders than eighth graders. Homework will comprise no more than **15%** of the overall course grade. Homework assignments shall not be due on the day following a religious holiday for which schools are closed, unless the assignment was given at least two days in advance of the holiday.

## Homework Center

Teachers are available to students in the Homework Center on **Monday, Tuesday, and Thursday** afternoons from **3:25 to 4:55 p.m.** Students should be encouraged to visit the Homework Center if they need help with their homework or if they just need a calm and quiet atmosphere to work. Students should leave when homework is finished. The Homework Center will open for the 2019-2020 school year on **Monday, September 23<sup>rd</sup>**.

## Honor Roll

**High Honor Roll** recognition is achieved with the following criteria:

- A minimum average of 95% in all subject areas with no grade lower than B+
- No incompletes except for an extended illness
- No recorded incident of cheating for the quarter
- All subjects are a part of calculating the student's average. This includes content area as well as exploratory subjects.

**Honor Roll** recognition is achieved with the following criteria:

- A minimum average of 90% in all subject areas with no grade lower than B-
- No incompletes except for an extended illness
- No recorded incident of cheating for the quarter
- All subjects are a part of calculating the student's average. This includes content area as well as exploratory subjects.

## **Internet Use**

As part of any student's education, they will need to utilize computer resources and the Internet. Proper etiquette is expected and required. See Appendix for the Student Network Agreement.

## **Lockers and Locks**

All gym and hall lockers have built-in locks. **Sharing lockers / combinations is not allowed.** Gym lockers are to be used **only** for gym equipment. **Your valuables are safest at home.** If you choose to bring them to school, they should be kept in your locker. Lockers and storage areas remain the exclusive property of the school, and students have no expectation of privacy with respect to these areas.

Teachers will be helping students to arrange their day so that they can go to their lockers at convenient times between several classes throughout the day. Lockers should only be visited in between classes, not during class time.

## **Locker Decoration**

Decorating a student's locker in honor of a birthday is allowed under the following guidelines:

- No more than four students may decorate a locker.
- Students are only allowed to decorate a locker from 7:50-8:07 (prior to period 1) or from 3:20-3:35 after school. Please be respectful of T periods that may be happening and abide by the school code of conduct.
- Students must supply their own materials and clean up the area when they are finished.
- Only the exterior of the locker can be decorated. Locker decorations must be contained to the individual locker and not interfere with the operation of the locker. Decorations should not be on any surrounding lockers.
- Items such as balloons, food, and toys should not be used as decorations. Only paper may be used to decorate a locker. Writing directly on a locker is not allowed.
- Locker decorations must be taken down one week after they are put up.

## **Lost and Found**

The lost and found bin is located in the middle school lobby. Please remind your child to check the lost and found bin periodically for lost items. All remaining articles will be donated to a local charity at the end of December and at the end of the school year, in June. A school-wide email, as well as daily announcements, will be made to notify you of this in advance.

## **Middle Years Programme (MYP)**

We are currently a fully authorized IB Middle Years Programme school. The MYP runs from grades 6-10. MYP is offered as an inclusive, whole-school model. We believe that all students are capable of achieving at high levels when they are both challenged and nurtured. The MYP provides a healthy balance of academic enrichment and support that will help students perform to their full potential. It encourages critical thinking and problem-solving skills along with authentic learning experiences. Teachers also create interdisciplinary learning experiences to enrich student learning. (See IB Learner Profile in the Appendix.)

For additional information about the Middle Years Programme, please go to our website ([dfsd.org/ms](http://dfsd.org/ms)). The information is located under the "Academics" tab.

## National Junior Honor Society Requirements

In accordance with the granted charter, requirements for eligibility for the National Junior Honor Society are as follows:

### **A. Grade Average (Scholarship)**

- In grade seven: 4.0 or above G.P.A. in all subjects for the first three quarters of the seventh grade with no grade below an "A-" in any subject.

### **B. Character, Leadership, Citizenship, and Service**

- Eligible students should be involved in at least one school activity or sports team.
- Eligible students must show evidence of community service.
- Eligible students must be a member in good standing in both the school and community.
- Eligible students must have **NO** suspensions or serious disciplinary referral of any kind for the current school year.

## Parent Questions/Concerns

Questions and/or comments do come up during the course of a school year. The first person a parent should contact with a question is the child's classroom teacher. More often than not, an email can provide information to answer most questions. If this is not the case, a parent should then contact the grade level team leader or guidance counselor. In addition to these staff members, the assistant principal and the principal are equally available to answer any questions or to assist in resolving any difficulties that may arise.

### **When you should contact:**

Teacher	Guidance	Administration
<ul style="list-style-type: none"> <li>▪ Academic issues (please give 48 hours for response time)</li> <li>▪ Social issues that are happening in a classroom</li> <li>▪ Homework</li> <li>▪ Classroom concerns</li> </ul>	<ul style="list-style-type: none"> <li>▪ Social issues</li> <li>▪ Emotional issues</li> <li>▪ Health-related issues</li> <li>▪ Family issues</li> <li>▪ Academic issues</li> </ul>	<ul style="list-style-type: none"> <li>▪ After contacting teacher if you:               <ul style="list-style-type: none"> <li>- have not heard from teacher</li> <li>- are not satisfied with outcome</li> </ul> </li> <li>▪ School policies</li> <li>▪ School procedures</li> <li>▪ Any other important issues that arise</li> </ul>

## **Parent Conferences**

There are two dates during the year for parent conferences. Please realize that these are formal conference days. Parents can contact teachers at any time to discuss any questions or concerns. You should never wait to discuss an issue with a teacher. The dates and times for parent conferences are as follows:

- November 5, 2019 (8:30 am – 3:20 pm)
- November 13, 2019 (4:30 pm – 8:30 pm)

## **Promotion Policy**

The faculty and staff at the Dobbs Ferry Middle School work hard to support student learning and are dedicated to the academic and social success of each student. We strongly believe that a student's success is directly related to his or her attendance, effort and work. Students should always put forth their "best efforts" in order to achieve academic success. Every attempt will be made by the middle school staff to prevent student failure. However, failure occasionally occurs. If a student does not successfully complete their course requirements, they have not mastered the beginning levels necessary for success beyond middle school. Without this record of success, it is recommended that the student: a) be retained; b) be required to attend summer school; or c) be required to attend an alternative approved program to pick up the necessary skills for that course.

## **Quarter and Mid-Quarter Final End Dates**

	<b><u>Mid-Point of Quarter</u></b>	<b><u>End of Quarter</u></b>
Quarter 1	October 4	*November 8
Quarter 2	December 13	*January 24
Quarter 3	March 6	*April 17
Quarter 4	May 21	*June 26

\*Report cards will be posted on the Parent Portal the following week after end of quarter date.

## **Recycling Rules**

Every classroom has a garbage can and a recycle bin. All papers must go into the recycle bin and all other trash should go into the garbage can. There are garbage, paper, compost, and plastic receptacles in all hallways and the Commons for students to properly dispose of their garbage.

## **Scheduling**

### **Online Scheduling System:**

The majority of student scheduling is done online. The process begins with counselors meeting with students in the spring. During this meeting, the counselors review the process, as well as the available courses. Both parents and students will be able to view the student's courses using the eSchoolData Portal Accounts.

The following classes can be requested:

- Music (all grades)
- Foreign Language (grade 6)
- Earth Science Regents (grade 8)
- Algebra 1 Regents (grade 8)
- Electives (grade 8)

Parent Portal: <https://esdparentportal.lhric.org>

Student Portal: <https://esdstudentportal.lhric.org/DobbsFerry>

### **Scheduling Requests:**

Parents are welcome to share information with the School Counselor that may be relevant to their child's class placement. Scheduling requests, such as having certain classes in the morning or afternoon or to be with a specific friend or teacher, cannot be honored. Please be assured that the counselors consider many factors in designing a program that will meet your child's educational, social and emotional needs.

### **School Counselor Assignment for 2019-2020:**

- Grade 6 and 8 - Sandra Hacker [hackers@dfsd.org](mailto:hackers@dfsd.org)
- Grade 7 - Rose Mittan [mittanr@dfsd.org](mailto:mittanr@dfsd.org)

Please contact your child's School Counselor should you have any questions about the online scheduling process.

### **Resources:**

## **Regents Courses Offered in Grade 8**

Dobbs Ferry Middle School offers Regents Courses in the areas of Math and Science. These high school level courses are appropriate for students who excel in Math and/or Science, are highly academically motivated, and desire to tackle the rigors of a high school level curriculum.

### **Criteria for Algebra 1 Regents:**

Eighth grade students are recommended for Algebra 1 based upon the general criteria listed below. Students and parents/guardians are also able to request Algebra 1 on the portal, however, please review the waiver process below:

- A cumulative average of A or above in Math 7
- Teacher Recommendation based upon the identified Middle Years Program (MYP) Approaches to Learning Skills (see Appendix) with a score of 7-8

### **Criteria for Earth Science Regents:**

Eighth grade students are recommended for Earth Science based upon the general criteria listed below. Students and parents/guardians are also able to request Earth Science on the portal, however, please review the waiver process below.

- A cumulative average of A or above in Science 7
- Teacher Recommendation based upon the identified Middle Years Program (MYP) Approaches to Learning Skills (see Appendix) with a score of 7-8

### **Earth Science and Algebra 1 Waiver Process:**

Parents/students are able to request placement in Earth Science or Algebra 1 without a teacher recommendation when they:

1. Make a formal request on the Parent/Student Portal, or by emailing their school counselor
2. Conference with their school counselor regarding the placement request (parent conference)
3. Have a waiver signed by student and parent/guardian

## **School Policy Regarding Sexual Harassment**

The Board of Education affirms its commitment to non-discrimination and recognizes its responsibility to provide for all District students an environment that is free of sexual harassment and intimidation. Sexual harassment is a violation of law and stands in direct opposition to District policy. Therefore, the Board prohibits all forms of sexual harassment by employees and students. Generally, sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature. **Mr. Doug Berry, Assistant Superintendent of Curriculum and Instruction, is the Title VII and Title IX Coordinator for the District.**

## **Stepping Up Ceremony**

The Stepping-Up Ceremony recognizes students who have completed the coursework necessary to move up to the ninth grade. In order to participate in this ceremony, students must have demonstrated proficiency in eighth grade classes and exhibited a good work ethic and citizenship. If a student does not meet requirements in two or more core subjects (Language & Literature, Math, Individuals & Societies, Science, Language Acquisition), they may not participate in Stepping Up and will not receive a Certificate of Completion. We view this ceremony as a celebration of the eighth grade accomplishments. The Stepping-Up Ceremony will take place on **Thursday, June 25, 2020 at 9:00 am.**

## **T-Period**

Teachers are available to meet with students individually and/or in small groups before and after school, as well as during lunch when appropriate. Students are encouraged to ask for extra help, to make up missing assignments, and to better understand assignments. They may also attend to do extra challenge work. Students may be "required" to attend a specific T-Period. A schedule of T-Periods will be sent home at the beginning of the school year with your child.

## **Teaming**

All students at Dobbs Ferry Middle School are part of an interdisciplinary team of teachers at each grade level led by a team leader. The significance of interdisciplinary teams lies in the creation of smaller learning communities of students who are led by a group of teachers who take a personal, vested interest in the academic and social growth and development of their students (<http://www.mllc.org>). Interdisciplinary teams enable teachers to:

- Respond to middle school student academic and developmental needs
- Integrate the curricula
- Select appropriate instructional strategies
- Use flexible scheduling strategies
- Use common planning periods to coordinate with one another and conduct parent meetings
- Meet with other support staff to address the needs of all students
- Provide professional support for team members
- Provide effective transition from single elementary classrooms to a departmentalized high school
- Provide a sense of belonging and personalization

## **Team Leaders:**

Grade 6 Lucia Palladino

Grade 7 Katia Marques

Grade 8 Melissa Gretczko

## **Visitors to School**

### **Building Visitors**

We are pleased to welcome you to meet with our faculty. No matter what office, room, or person you plan on visiting, you must enter the building and sign in immediately in the reception area to receive your visitor's pass. For security reasons, identification is required to issue a visitor's pass. If you are seen in the hallway without a visitor's pass, you will be asked to return to the reception area to get one. Please call in advance to set up an appointment for your visit. Please do not go to any classrooms without an appointment. This includes the school Commons, library, and gymnasium. Visitors are not permitted upstairs to meet with staff without notification to the teacher.

### **School Activity Nights**

School dances and other student council events are an opportunity for students to socialize with all middle school students. In order for a student to participate in these social activities, they must have been present in school the day of the event, as per our attendance policy. In addition, these events are for Dobbs Ferry Middle School students only, and visitors from other schools are not permitted to attend.

### **Student Visitors**

As a general rule, students are not allowed to have guests accompany them to school or to school dances.

# IB learner profile

The aim of all IB programmes is to develop internationally minded people who, recognizing their common humanity and shared guardianship of the planet, help to create a better and more peaceful world.

As IB learners we strive to be:

## INQUIRERS

We nurture our curiosity, developing skills for inquiry and research. We know how to learn independently and with others. We learn with enthusiasm and sustain our love of learning throughout life.

## KNOWLEDGEABLE

We develop and use conceptual understanding, exploring knowledge across a range of disciplines. We engage with issues and ideas that have local and global significance.

## THINKERS

We use critical and creative thinking skills to analyse and take responsible action on complex problems. We exercise initiative in making reasoned, ethical decisions.

## COMMUNICATORS

We express ourselves confidently and creatively in more than one language and in many ways. We collaborate effectively, listening carefully to the perspectives of other individuals and groups.

## PRINCIPLED

We act with integrity and honesty, with a strong sense of fairness and justice, and with respect for the dignity and rights of people everywhere. We take responsibility for our actions and their consequences.

## OPEN-MINDED

We critically appreciate our own cultures and personal histories, as well as the values and traditions of others. We seek and evaluate a range of points of view, and we are willing to grow from the experience.

## CARING

We show empathy, compassion and respect. We have a commitment to service, and we act to make a positive difference in the lives of others and in the world around us.

## RISK-TAKERS

We approach uncertainty with forethought and determination; we work independently and cooperatively to explore new ideas and innovative strategies. We are resourceful and resilient in the face of challenges and change.

## BALANCED

We understand the importance of balancing different aspects of our lives—intellectual, physical, and emotional—to achieve well-being for ourselves and others. We recognize our interdependence with other people and with the world in which we live.

## REFLECTIVE

We thoughtfully consider the world and our own ideas and experience. We work to understand our strengths and weaknesses in order to support our learning and personal development.

The IB learner profile represents 10 attributes valued by IB World Schools. We believe these attributes, and others like them, can help individuals and groups become responsible members of local, national and global communities.

# Resolution of Respect

1

**I WILL SEEK TO GAIN** understanding of those who are different from myself.

2

**I WILL SPEAK OUT AGAINST** prejudice and discrimination.

3

**I WILL REACH OUT** to support those who are targets of hate.

4

# Dobbs Ferry Schools

## Student Network/Internet Agreement and Permission Form

### Introduction

Dobbs Ferry is pleased to offer our students access to the District's computer technology resources. To use these resources, students and their parents/guardians must sign and return the attached form. Please read this document carefully, review its contents with your son or daughter, sign where appropriate and return to your child's school. Any questions or concerns about this permission form may be referred to the building principal.

### General Network Use

The network is provided for students to conduct research, complete assignments, publish their work, and communicate with others. Access to network services is given to students who agree to act in a considerate and responsible manner. Students are responsible for good behavior on school computer networks just as they are in a classroom or a school hallway. As such, general school rules for behavior and communications apply, and users must comply with district standards and honor the agreements they have signed. Beyond the clarification of such standards, the district is not responsible for restricting, monitoring or controlling the communications of individuals utilizing the network.

Network storage areas are similar to school lockers. Network administrators may review files and communications to maintain system integrity and ensure that the system is used responsibly. Users should not expect that files stored on district servers will be private.

In general, when using school technology, students are **not** permitted to:

- Use others' passwords or share their passwords with others
- Damage or modify computers, operating systems or computer networks
- Send or display offensive messages or pictures
- Use obscene language
- Give personal information, such as complete name, phone number, address or photo
- Harass, insult or attack others
- Violate copyright laws
- Access others' folders or files without express permission
- Intentionally waste limited resources, such as paper or bandwidth
- Employ the network for commercial purposes, financial gain or fraud

### Internet / World Wide Web / Social Networking / E-mail Access

Within reason, freedom of speech and access to information will be honored. Families should be warned that some material accessible via the Internet might contain items that are illegal, defamatory, inaccurate or potentially offensive to some people. While our intent is to make Internet access available to further educational goals and objectives, students may find ways to access other materials as well. Filtering software is in use to block content as specified in the Children's Internet Protection Act, but no filtering system is capable of blocking 100% of the inappropriate material available on the Internet. Dobbs Ferry believes that the benefits to students accessing the Internet and using social networking resources outweigh the disadvantages. By using these resources responsibly, opportunities for collaboration enable each student to become self-directed lifetime learners. Ultimately, parents and guardians of minors are responsible for setting and conveying the standards that their children should follow when using media and information sources.

## Student Network/Internet Agreement and Permission Form

### Publishing to the World Wide Web

Although most of students' work at Dobbs Ferry will be done within a secure, password-protected portal, students will from time to time publish work to the web. This provides students with an opportunity to share their work with a wider audience, receive feedback from external professionals and share with the public what is going on at school. Students agree to only use their first names, not their last names or any other personal identifying information such as age, address, phone number, photos, etc. Students should also not publish work that contains copyrighted materials without proper permission and/or citation when appropriate.

### Violations to this Policy

Violations may result in a loss of access as well as other disciplinary or legal action.

#### Student User Agreement:

As a user of the Dobbs Ferry computer network, I hereby agree to comply with the statements and expectations outlined in this document and to honor all relevant laws and restrictions.

# DFMS Discipline Code

## Disciplinary Measures Continuum

← Minimum							Maximum →
1	2	3	4	5	6	7	8
Warnings (Oral or written)	Disciplinary Conference	Detention (lunch or after school)	Exclusion from Teams, Trips and Clubs	In-School Suspension	Out-of-School Suspension (1-5 days)	Out-of-School Suspension (More than 5 Days)	Superintendent's Hearing

*In addition to counseling, a range of penalties is listed for each offense. Based on the individual circumstances, the administration has the discretion to determine the specific penalty, within the specified range, for a particular offense. However, it can include more than one penalty such as, an after-school detention paired with an in-school suspension or the same penalty applied multiple times such as, several days of detention. Progressive discipline is also practiced. If a student repeatedly violates the discipline code the consequence will continue to increase. If the administration deems that an offense is particularly egregious the maximum penalty may be assigned even if it is a first offense*

## **Dobbs Ferry School District Chromebook Handbook Procedures and Information for Students and Parents**

### **Ownership of the Chromebook**

Dobbs Ferry Union Free School District retains sole right of possession of the Chromebook. DFSD lends the Chromebook to the students for educational purposes only for the academic year. Additionally, Dobbs Ferry Union Free School District administrative staff and faculty retain the right to collect and/or inspect Chromebooks at any time, including via electronic remote access and to alter, add or delete installed software or hardware.

### **Receiving Your Chromebook**

Parents and students must sign the DFSD Student Network/Internet Agreement prior to being issued a Chromebook.

### **Returning Your Chromebook**

At the end of the school year, students will turn in their Chromebooks and all peripherals and accessories. Failure to turn in a Chromebook will result in the student being charged the full \$300.00 replacement cost. Additionally, a report of stolen property with the local law enforcement agency will be filed by the school or school designee.

### **Transferring/Withdrawing Students**

Students that transfer out of or withdraw from DFSD must turn in their Chromebooks and peripherals and accessories. Failure to turn in the Chromebook will result in the student being charged the full \$300.00 replacement cost and result in a hold placed on the release of student records to the receiving district. Unpaid fines and fees of students leaving Dobbs Ferry Union Free School District may be turned over to a collection agency. Additionally, a report of stolen property with the local law enforcement agency will be filed by the school or school designee.

### **Rights and Responsibilities for Electronic Data**

Students are solely responsible for any apps or extensions on their Chromebooks that are not installed by a member of the DFSD technology staff. Students are responsible for backing up their data to protect from loss. Users of school technology have no rights, ownership, or expectations of privacy to any data that is, or was, stored on the Chromebook, school network, or any school--issued applications and are given no guarantees that data will be retained or destroyed.

## **Operating System and Security**

Students may not use or install any operating system on their Chromebook other than the current version of ChromeOS that is supported and managed by the school.

## **Updates**

The Chromebook operating system, ChromeOS, updates itself automatically. Students do not need to manually update their Chromebooks.

## **Virus Protection**

- Chromebooks use the principle of “defense in depth” to provide multiple layers of protection against viruses and malware, including data encryption and verified boot.
- There is no need for additional virus protection.

## **Content Filter**

The school utilizes an Internet content filter that is in compliance with the federally mandated Children’s Internet Protection Act (CIPA). All Chromebooks will have all Internet activity protected and monitored by the school. If an educationally valuable site is blocked, students should contact their teachers to request the site be unblocked. Parents/guardians are responsible for filtering and monitoring any Internet connection students receive that is not provided by the school.

## **Software - Google Apps for Education**

- Chromebooks seamlessly integrate with Gmail as well as the Google Apps for Education suite of productivity and collaboration tools. This suite includes Google Docs (word processing), spreadsheets, presentations, drawings, and forms.
- All work is stored in the cloud.

## **Chromebook Identification Records**

- The school will maintain a log of all Chromebooks that includes the Chromebook serial number, asset tag code, and name and ID number of the student assigned to the device.

## **Repairing/Replacing Your Chromebook Vendor Warranty**

- Chromebooks include a one-year hardware warranty from the vendor.
- The vendor warrants the Chromebook from defects in materials and workmanship.
- **Please note: The vendor warranty does not warrant against damage caused by misuse, abuse, or accidents.**

### **Estimated Replacement/Repair Costs (subject to change)**

The following are estimated costs of Chromebook parts and replacements:

- Replacement - \$300.00
- Repair cost - If damage to the Chromebook results from misuse, abuse or accident the student is responsible for all repair costs.
- Chromebook insurance – Chromebook insurance is available to cover these costs. See the insurance form on the school website in the “*Welcome Back Packet*” under the *Parents Tab*.

### **No Expectation of Privacy**

Students have no expectation of confidentiality or privacy with respect to any usage of a Chromebook. The school may, without prior notice or consent, log, supervise, access, view, monitor, and record use of student Chromebooks at any time for any reason related to the operation of the school. By using a school-issued Chromebook, students agree to such access, monitoring, and recording of their use.

### **Monitoring Software**

Teachers, school administrators, and the technology department staff may use monitoring software that allows them to view the screens and activity on student Chromebooks.

### **Educational Use**

School-issued Chromebooks should be used for educational purposes only. Students are to adhere to the DFSD Student Network/Internet Agreement and all of its corresponding administrative procedures at all times.

### **Using Your Chromebook at School**

It is the student’s responsibility to charge their Chromebook at home each night. They are expected to bring their **fully-charged** Chromebook to school every day to all classes, unless specifically advised not to do so by their teacher.

### **Printing**

- Students will be encouraged to digitally publish and share their work with their teachers and peers when appropriate.
- All student work should be stored in an Internet/Cloud application. Therefore, students will not print directly from their Chromebooks at school. All printing that is required must be done at home.
- Students may set up their home printers with the Google Cloud Print solution to print from their Chromebooks at home. Information about Google Cloud Print can be obtained here: <http://www.google.com/cloudprint/learn/>.

### **Logging into a Chromebook**

- Students will log into their Chromebooks using their school-issued email addresses.
- **Students should never share their account passwords with others.**
- No external email accounts may be used on the school-issued device.
- No sharing or guest access is permitted.

### **Managing and Saving Your Digital Work with a Chromebook**

- The majority of student work will be stored in Google Drive and can be accessed from any computer with an Internet connection and most mobile Internet devices.
- Some files may be stored on the Chromebook's hard drive.
- The school will not be responsible for the loss of any student work.

### **Using Your Chromebook Outside of School**

Students are encouraged to use their Chromebooks at home and other locations outside of school. A WiFi Internet connection will be required for the majority of Chromebook use; however, some applications can be used while not connected to the Internet. To ensure CIPA compliance, all devices will automatically be routed through the DFSD Internet filtering system, even when using an outside WiFi. Students are bound by the DFSD Student Network/Internet Agreement and all other guidelines in this document wherever they use their Chromebooks.

### **Chromebook Care**

- Students are responsible for the general care of their school-issued Chromebook.
- Chromebooks that are broken or fail to work properly must be reported to a teacher or administrator as soon as possible.
- School-owned Chromebooks should NEVER be taken to an outside computer service for any type of repairs or maintenance.
- Chromebooks should be charged nightly.

### **General Precautions**

- No food or drink should be next to Chromebooks.
- Cords, cables, and removable storage devices must be inserted carefully.
- Chromebooks should not be used or stored near pets.
- Chromebooks must remain free of any writing, drawing, stickers, and labels.
- Heavy objects should never be placed on top of Chromebooks.
- Chromebooks must remain in their school-issued case.

### **Carrying Chromebooks**

- Always transport Chromebooks with care and with the screen closed.
- Never lift Chromebooks by the screen.

### **Screen Care**

The Chromebook screen can be damaged if subjected to heavy objects, rough treatment, some cleaning solvents, and other liquids. The screens are particularly sensitive to damage from excessive pressure, heat, and light.

- Make sure there is nothing on the keyboard before closing the lid (e.g. pens, pencils, or disks).
- Only clean the screen with a soft, dry microfiber or anti-static cloth.

### **Asset Tags**

- All Chromebooks will be labeled with school asset tags, serial number and student name.
- Tags may not be modified or tampered with in any way.

### **Chromebooks left unattended**

Under no circumstances should Chromebooks be left in unsupervised areas such as the school grounds, the lunchroom, vehicles, bathrooms, computer labs, library, unlocked classrooms, and hallways. Any Chromebook left in these areas is in danger of being stolen. If a Chromebook is found in an unsupervised area, it should be taken immediately to the office. Multiple offenses will result in disciplinary action. **Please note: Students should place their Chromebook in their hallway locker prior to attending PE. Under no circumstances should Chromebooks be stored in gym lockers.**

## Appropriate Uses and Digital Citizenship

While working in a digital and collaborative environment, students should always conduct themselves as good digital citizens by adhering to the following:

1. **Respect Yourself.** I will show respect for myself through my actions. I will select online names that are appropriate. I will use caution with the information, images, and other media that I post online. I will carefully consider the personal information about my life, experiences, or relationships that I post. I will not be obscene. I will act with integrity.
2. **Protect Yourself.** I will ensure that the information, images, and materials I post online will not put me at risk. I will not publish my personal details, contact details, or a schedule of my activities. I will report any attacks or inappropriate behavior directed at me while online. I will protect passwords, accounts, and resources.
3. **Respect Others.** I will show respect to others. I will not use electronic mediums to antagonize, bully, harass, or stalk people. I will show respect for other people in my choice of websites. I will not visit sites that are degrading to others, pornographic, racist, or inappropriate. I will not enter other people's private spaces or areas.
4. **Protect Others.** I will protect others by reporting abuse and not forwarding inappropriate materials or communications. I will avoid unacceptable materials and conversations.
5. **Respect Intellectual property.** I will request permission to use copyrighted or otherwise protected materials. I will suitably cite all use of websites, books, media, etc. I will acknowledge all primary sources. I will validate information. I will use and abide by the fair use rules.
6. **Protect Intellectual Property.** I will request to use the software and media others produce. I will purchase, license, and register all software or use available free and open-source alternatives rather than pirating software. I will purchase my music and media and refrain from distributing these in a manner that violates their licenses.

## Copyright and File Sharing

Students are required to follow all copyright laws around all media, including text, images, programs, music, and video. Downloading, sharing, or posting media that is illegally obtained is a violation of the DFSD Student Network/Internet Agreement.

## Website & Social Media Guidelines

**Think before you act because your virtual actions are real and permanent!**

Student Initials		Parent Initials
	Be aware of what you post online. Website and social media venues are very public. What you contribute leaves a digital footprint for all to see. Do not post anything you wouldn't want friends, enemies, parents, teachers, future colleges, or employers to see.	
	Follow the school's code of conduct when writing online. It is acceptable to disagree with other's opinions; however, do it in a respectful way. Make sure that criticism is constructive and not hurtful. What is inappropriate in the classroom is inappropriate online.	
	Be safe online. Never give out personal information, including, but not limited to, last names, phone numbers, addresses, exact birth dates, and pictures. Do not share your password with anyone besides your teachers and parents.	
	Linking to other websites to support your thoughts and ideas is recommended. However, be sure to read and review the entire website prior to linking to ensure that all information is appropriate for a school setting.	
	Do your own work! Do not use other people's intellectual property without their permission. Be aware that it is a violation of copyright law to copy and paste other's thoughts. It is good practice to hyperlink to your sources.	
	Be aware that pictures may also be protected under copyright laws. Verify that you have permission to use the image.	
	How you represent yourself online is an extension of yourself. Do not misrepresent yourself by using someone else's identity.	
	If you run across inappropriate material that makes you feel uncomfortable or is not respectful, tell your teacher right away.

**Chromebook Agreement**

By signing this agreement, we agree to follow and accept the following:

- The DFSD Student Network/Internet Agreement (previously signed)
- The policies and procedures set forth in the Chromebook Handbook
- The Website and Social Media Guidelines
- DFSD retains ownership of the Chromebook, software and issued peripherals
- At the end of the 2019-20 school year or if the student ceases to be enrolled in Dobbs Ferry Union Free School District, the student/parents will return the Chromebook in good working order or pay the full \$300.00 replacement cost of the computer. In addition, the student must also return both the Chromebook charger and any other purchased peripherals. Students may be charged for any piece that is not returned.
- In no event shall Dobbs Ferry Union Free School District be held liable to any claim of damage, negligence, or breach of duty.
