

Quad Village Diversity Career Fair

Ardsley - Dobbs Ferry - Hastings - Irvington

Dear Dobbs Ferry Community Member,

We are excited to announce the **First Annual Quad Village Diversity Career Fair**, sponsored by the **Ardsley, Dobbs Ferry, Hastings-on-Hudson and Irvington School Districts**. The fair will take place on **Wednesday, April 18th from 5:00-7:00 pm in the Dobbs Ferry High School/Middle School Commons**. The purpose of this event is to attract educators who do not traditionally seek employment in the Westchester area, and we are actively looking to hire highly-qualified candidates from underrepresented groups. We want to ensure that our schools truly reflect the diversity of experience and learning in a global society.

Collectively, the four Districts anticipate 40-50 openings in a range of subject areas for the 2018-2019 school year. We are asking our school families to pass along this information to friends or colleagues who might be interested in exploring opportunities available in our excellent schools. Educators attending the fair should bring multiple copies of their resume, New York State certification and any other pertinent information with them.

We are asking all potential attendees to pre-register for the event. The link to the pre-registration form can be found at: <http://bit.ly/quadvillagediversitycareerfair>. [Click to view a list of projected vacancies](#). Please send any questions to quadvillagediversityfair@dfsd.org. The Rivertowns' Schools are wonderful, welcoming places to build a career and we look forward to meeting all potential candidates on April 18th.

Sincerely,

Dr. Lisa Brady
Superintendent
Dobbs Ferry School District
