We have received many questions from parents over the past weeks and we will address as many of these as possible during the presentation. We will also be presenting current guidance about COVID-19 testing, contact tracing, exposures and quarantining requirements.

An [FAQ](#) is currently posted to the [Reopening Dobbs Ferry Schools](#) website and we will continue to revise this document as we receive changes in guidance and new information is released.

We look forward to seeing you!

Sincerely,

Lisa Brady, Ed.D.
Superintendent
