Table Talk Math

Your school, **Springhurst Elementary School**, has enrolled in **Summer School**, at **no cost to you!**

The Table Talk Math Summer Course Series is here to give you lessons, practice, and support throughout the summer. A new lesson will be emailed to you every 3 days, and will include a handout, prompt, and video to guide you and your child through the lesson.

To register:

- Go to **tabletalkmath.teachable.com**
- Click on the course(s) appropriate for your child(ren)
- Click on "Enroll in Course"
- Make sure you choose the Individual Enrollment (\$19)
- At the bottom of the page, select the "Individual Enrollment"
- On the Order Summary, enter **SPRING22** as your coupon
- Your order should come to \$0 with no credit card info needed
- That's it!

For questions, feel free to reach out: john@tabletalkmath.com

Thank you for bringing math to the table!
