

**Letter from Superintendent
Dobbs Ferry Middle School Reopening Forum
Thursday, August 13, 2020 – 6pm**

August 13, 2020

Dear Middle School Parents,

Please join us this evening at 6pm for the Middle School Reopening Forum. You can join via Livestream or Google Meet. We have received many questions from parents over the past few days and we will address as many of these as possible during the forum this evening as part of the presentation. We will also post an FAQ following the meeting so that parents and students can access this at any time. The program will also be posted to the [Reopening Dobbs Ferry Schools website](#).

Because the Google Meet is capped at 250 participants, we encourage as many people as possible to join via Livestream unless you are planning to use the chat bar feature in Google Meet.

We will open the Google Meet at 5:50pm to begin admitting participants to Google Meet. . We will begin promptly at 6pm.

Dobbs Ferry Middle School
Thursday, August 13th at 6pm

Join with Google Meet

This evening's program will focus on the schedule and instructional program only. We will be hosting a separate forum on Thursday, August 20th at 6pm specifically related to Health and Safety issues now that the Westchester County Department of Health issued guidance yesterday. There will also be a Special Education Parent Forum next week to discuss special education specific topics for parents.

We look forward to seeing you this evening!

Sincerely,

Lisa Brady, Ed.D.
Superintendent
