

# National Hispanic Heritage Month Resources for Teachers, Staff and Families *(updated September 2022)*

Every year, from mid-September to mid-October, Americans recognize National Hispanic Heritage Month by honoring the culture, histories, and contributions of Americans whose ancestors came to the country from Spanish-speaking countries in Europe and the Americas. The first celebration took place during one week in mid-September of 1968, with the timeframe chosen to honor independence day celebrations in many Spanish-speaking countries, including Costa Rica, El Salvador, Guatemala, Honduras, and Nicaragua (all on September 15), Mexico (September 16), and Chile (September 18). In 1988, the celebration was expanded to last a month, from September 15-October 15 each year.

Springhurst Library Media Specialist Lauren Rodriguez, Middle/High School Library Media Specialist Ellen Elsen, and K-8 Literacy Coordinator Michelle Yang-Kaczmarek have teamed up with Dobbs Ferry Public Library Children's Librarian Gina Elbert to create this resource list to help your classes dive deeper into the contributions and culture of Latinx and Hispanic Americans.

## Public Libraries with Spanish Language Collections

Many public libraries in Westchester County have Spanish language collections for children. Here in the Rivertowns, there are small collections of Spanish language picture books in Dobbs Ferry and Hastings, while in Ardsley the collection is of a similar size but spans all ages. Irvington's collection was damaged by flooding and is currently very small but expanding. Tarrytown and Ossining have large Spanish language selections of fiction and nonfiction for all ages. City libraries like those in Yonkers, White Plains, New Rochelle, and Mount Vernon are also good places to look. Many of the titles on this list are available in both Spanish and English -- please check the library catalog or call your library to see which they have.
