

Native American Heritage Month Resources

Indigenous peoples are often overlooked by the dominant forces in contemporary American society. They're a vital part of our past, but also of our present and future. While this resource list focuses on the Indigenous peoples of the United States, it also contains a section acknowledging native peoples of other countries in the Americas. These stories span contemporary life as well as historical fact and are part of a growing movement in publishing to better represent marginalized voices. Many are about Native Americans of the continental United States, but Native Hawaiians and Alaskans appear too. Springhurst Library Media Specialist Lauren Rodriguez, Middle/High School Library Media Specialist Ellen Elsen, and K-8 Literacy Coordinator Michelle Yang-Kaczmarek have teamed up with Dobbs Ferry Public Library Children's Librarian Gina Elbert and Teen Librarian Allee Manning to create this resource list to help you dive deeper into indigenous literature for kindergarten through 12th grade. **This is a sampling of available resources and not an exhaustive list. If you would like help finding more, please contact your librarian(s).**

A Note on Thanksgiving

November is also the month of Thanksgiving, a beloved American holiday that symbolizes family and friends gathering together to share a meal and family traditions. Some might say that it is the mostly widely recognized American holiday on the calendar. It is also a holiday whose history is often misrepresented. Below is a list of resources that you can use to start exploring Thanksgiving.

- **American Indians in Children's Literature blog** (<https://americanindiansinchildrensliterature.blogspot.com/>): Run by Dr. Debbie Reese of Nambé Pueblo, this blog contains many posts about Thanksgiving as well as reviews of other books about Native Americans.
- **"Thinking About Thanksgiving" blog post from Reading While White blog** (<http://readingwhilewhite.blogspot.com/2015/11/thinking-about-thanksgiving.html>): This post interrogates the history of Thanksgiving and its representation in children's books. The blog overall is a resource dedicated to promoting anti-racism in children's literature and librarianship.
- **"Deconstructing the Myths of the First Thanksgiving" from Oyate** (<http://oyate.org/index.php/resources/43-resources/thanksgiving>): This list, written by an Abenaki scholar, analyzes and corrects the most popular misconceptions about Thanksgiving. Oyate is a Native organization working to see that indigenous stories are portrayed with honesty and integrity.
- **"Thanksgiving Books: Authenticity and Accuracy" from Ypsilanti District Library** (<https://www.ypsilibrary.org/2018/11/thanksgiving-books-authenticity-and-accuracy/>): This short post provides a list of alternate Thanksgiving books that respect the traditions of indigenous peoples and the holiday's spirit of gratitude.
