

WELCOME BACK!

Whitsons' School Nutrition team would like to extend a warm welcome and let you know that we have exciting plans for this school year. We are pleased to provide a comprehensive school dining program at Dobbs Ferry School that meets the National School Lunch and Breakfast Program requirements and engages students in developing a positive attitude about healthy eating.

We are pleased to be able to provide a nutritious school dining program and are anxious to work with each principal to make the program a success. Here is some information that will be helpful as we begin this new school year:

Students can receive one breakfast and one lunch at no cost!

Students can purchase a second meal (\$1.25 for breakfast, \$2.75 for lunch) Adult meals are not free – Adults pay \$3 for breakfast and \$5.02 for lunch (plus tax on all adult purchases) Adult prices are tentative to change.

BREAKFAST: Breakfast will be served in the cafeteria from 7:40am – 9:00am.

LUNCH: Lunch will be served in the cafeteria from 11:04am -1:30pm

Menus are available at www.fdmealplanner.com and Dobbs Ferry School District website under the Meals & Other Payment tab.

Please ensure students take a complete meal; otherwise, it will not be considered a free meal. A free meal consists of a Meat/Meat alternative, a Grain, and a Vegetable, Fruit, or Fruit Juice. Students are encouraged to take all 5 components, however, 3 out of the 5 (One being a Fruit or Vegetable is acceptable).

The staff at Dobbs Ferry HS.MS will remain the same this year!
